Parada	**Parade**
Pagbabagay ng "Tatsulok" ni Bamboo	Adaptaion of "Triangle" by Bamboo
[Unang Taludtod]	[First Verse]
Pantas bilisan mo bilsan mo ang sipsip	Scholar hurry up and absorb it to a T
Ilangan mo ang pagsikat sa inyong pangigninip	Remember your dreams of rank and celebrity
Pantas sumali ka magkalat ng teoria	Scholar come join, come spread the theory
Bagong kilaka at malaganap na salita.	Emerging talk and pervasive ways to see.
[Palawang Taludtod]	[Second Verse]
Pantas makinig ka wag kang magpahuli	Scholar listen, don't let yourself fall behind
Baka makalimutan maiwan sa tabi	Maybe be forgotten and left on the wayside
Pantas alam mo ba kung anong sagot-sandata	Scholar do you know the answer-weapon
Sa di matapos-tapos na hila at hila	To use against these relentless tides?
[Koro]	[Chorus]
Alam mo kakamping-isip di tiyak yan kakampihan	Y'know being in the same thought-camp doesn't equal ally-hood
Pero may ibang palagay siya'y din nakaranasan	But someone with a different tack passed through the same wood
Hangga't palaging binabagong kalakaran	As long as our focus is what's new
Bola-bolang paksa ang iaatupag diyan	Posturing is what we'll apply ourselves to
Habang may parada nang mag nag-iisa	While there is a parade of surpassing
Dating kaalaman nabubura.	Previous knowledge is fading.
[Tulay]	[Bridge]
Iligtas ang paglikha ng mga dalubhasa	Save worthwhile work from each current craze
Ang dating aklatan ngayon pinag-siga	Yesterday a library, today it's ablaze
Pantas kumilos ka basahin ang totoo	Scholar hurry and read the truth about the matter
Ibat-ibang pananaw kailangan ibuo.	Different perspectives you need to put together.
[Koro]	[Chorus]
Kesyo kakamping-isip di tiyak yan kakampihan	Being in the same thought-camp doesn't equal ally-hood
Pero may ibang palagay siya'y din nakaranasan	But someone with a different tack passed through the same wood
Hangga't palaging binabagong kalakaran	As long as our focus is what's new
Bola-bolang paksa ang iaatupag diyan	Posturing is what we'll apply ourselves to
Habang may parada nang mag nag-iisa	While there is a parade of surpassing
Dating kaalaman nabubura.	Previous knowledge is fading.
[Ulitin ang Koro]	[Repeat Chorus]
Kesyo kakamping-isip di tiyak yan kakampihan	Being in the same thought-camp doesn't equal ally-hood
Pero may ibang palagay siya'y din nakaranasan	But someone with a different tack passed through the same wood
Hangga't palaging binabagong kalakaran	As long as our focus is what's new
Bola-bolang paksa ang iaatupag diyan	Posturing is what we'll apply ourselves to
Habang may parada nang mag nag-iisa	While there is a parade of surpassing
Dating kaalaman nabubura.	Previous knowledge is fading.
Habang may parada nang mag nag-iisa	While there is a parade of surpassing
Dating kaalaman nabubura.	Previous knowledge is fading.
Dating kaalaman nabubura.	Previous knowledge is fading.
